Camp Hope is a one-day camp designed for grieving children who have experienced the death of a loved one, or any loss in their lives. Camp Hope provides a fun, educational and safe environment for children ages 6-16 to talk to one another, and to learn effective, practical skills to manage their loss.

A group counseling session will be offered to the parents/caretakers. We recommend that they attend this session. If they are unable to attend, counselors will be made available throughout the day.

Parent Session will be offered as follows:

Session I: 9:15AM - 11:15AM

Quotes From Past Participants

“You guys help a lot of people and you found it in your heart to come help us when our friend died.”

“Thank you for helping my boys. They really enjoyed themselves. I also appreciate that they know it is ok to be sad, happy, or whatever.”
